Unpaid Rent Repayment Plan Worksheet

This worksheet is provided to assist landlords (including property owners and managers) ("Landlord") and tenants and residents ("Resident") who seek to create a reasonable repayment plan for unpaid rent or other charges related to housing. Both Landlord and Resident may benefit from agreeing to a reasonable rent repayment plan as it provides certainty over the amount and timing of repayment. This worksheet is meant to apply only to the unpaid rent or other charges listed on this worksheet.

This worksheet is not intended to alter the legal relationship between Landlord and Resident, but to be a tool to help them work together. Landlord and Resident may choose to attach this worksheet to any final, signed repayment plan agreement they enter into, as a way to show the process they used to develop the repayment plan. Any rent repayment plan should be reasonable based on the Resident's specific financial, health, and other circumstances.
